TERM 2 – WEEK 2

We are up and running at a very fast pace for Term 2 !!!!!!!

Report cards were issued and sent home last week. Interviews are currently being carried out by teachers if there are concerns in regard to your child's learning progress, effort or behaviour. Teachers can be contacted at any time if you also have any questions in regard to your child's schooling. Please do not hesitate to contact the school and make an appointment.

Our Cloncurry State School P-12 Deadly Dancers performed at the opening of the new Centacare Community Garden and Yarning Circle on Monday. This is a wonderful space that has been created for the community and we encourage our students to be part of this great opportunity to gather and be involved.

Anzac Day was memorable again this year with many staff and students attending to show their respect for all Australians and New Zealanders who served and died in all wars, conflicts and peacekeeping operations. It was a wonderful acknowledgement of the contribution and suffering of all those who have served. We thank Mace Bennett for his organisation of this day.

Our Chaplain Tania Britton is starting her SWAG Youth get togethers this Saturday 28th April 6.30 pm at the AOG Church on Ramsay Street. This will be a chance for youth from Years 7-12 to meet together for organised activities, have a great meal and gain some additional motivation from guest speakers. The event is fully supervised.

Next week is our school Cross Country. The event begins at 9.00am for all interested parents and community members. PLP's will also be coming up in the next few weeks and the Mother's Day Stall is on Thursday 10th May and Friday 11th May for all those who want a simple and beautiful gift for their hard working mums/aunties/nans/sisters.

Naplan dates for this year are the 15th, 16th and 17th May for Years 3, 5, 7 & 9. Please make note of these dates and ensure our kids have a good breakfast on these days.

Teachers have been busy for the last couple of weeks ensuring assessment tasks and marking criteria for each year level are clear and concise and that all students are aware of expectations in regard to this assessment. The senior school has also been putting together their assessment calendar of due dates for assignments and we had two award winners this week, Moeisha McDonald and Tamica Bradey receiving awards for submitting assessments ahead of due dates – great job girls !!!!

Today we were also fortunate to have Jen Elson (Clinical Nurse Diabetes), Brooke Wilson (Student Nurse), Georgia Kendell (Clinical Nurse Cardiac), Diana Malureanu (Clinical Nurse Diabetes), Erin Nichols (Cloncurry Community Health) and Clare Kippin (Clinical Nurse Consultant Rheumatic Heart Disease) running a Health Expo for Years P-7. Students of a younger age were learning more about how to manage their health more effectively for the future.

Congratulations to all award winners this week and to those who received awards on parade for improvement in reading lexile scores – well done everyone!!!!!!
